NOTED CEBG

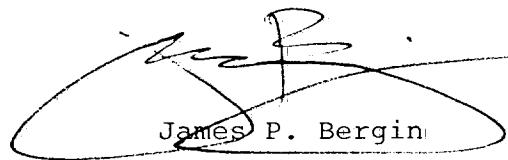

Dear Charles:

As per your recent request to expedite the above-referenced patent application, I enclose a copy of the first draft of the application (with preliminary drawings) for your review. Please also forward a copy to Chuck Higgins for his comments.

You should notice that the application incorporates by reference co-pending U.S. patent application Serial No. 07/709,023 (PM-1485), and should further notice that draft claims 8-15 are modelled after the control device claims of that co-pending lip monitor application. After I receive your comments and those of Mr. Higgins, I anticipate making substantial changes to the claims before filing.

Thank you.

Sincerely,

James P. Bergin
